9:00am to 3:00pm

## Private Equity (PE) Masterclass (On-line)

It must have been almost impossible for any investment professional not to notice the surge in private market activities and of course fundraising of late. Whilst we're not claiming clairvoyance in anything, this trend suggests a whole lot more will most likely happen in the general alternative investments space in the days and years ahead. And so, we're returning to class with the objective to bring delegates up to speed in the contemporary world of PE and its current opportunities.

### Day 1 – Funds Dynamics

1. Introduction: What constitutes Private Equity;
2. The Nature of PE;
3. The economics of PE – Structures/Types, Parties, and Performance;
4. PE in the Nigerian Context;
5. Due diligence and accounting in PE;
6. Secondary Funds and transactions.

### Day 2 – Deals Dynamics

1. Valuation of PE companies;
2. Deal analysis and due diligence;
3. LBOs and Models;
4. Post-deal improvements and PE harvesting;
5. Early stage investing and Venture Capital (VC);
6. Case studies.
